13.were known	3
were wasted	
was mesmerized	
14. Set up, give up	2
15. After, but, and, gradually	4
16. The kinglet of MonacoKnows it is a dirtybusiness.	1

II.

8×4=32

II.	8×4=32
17. Juliet waits for Romeo- feels intense love for him- she invokes both the night and Romeo- to her Romeo is the day in night-she wants Romeo to lie upon the wings of night-she compares his charm to new snow on a raven's back-she praises night calling it "gentle night and loving black browed night"-she invites gentle night to come and give her, her Romeo-when she dies- take him and cut him into little stars- he will make the face of heaven so beautiful- the world will fall in love with night- pay no worship to the garish sun-In this way she wants their love to be immortalized .	4

18 Monaco- tiny little Kingdom- 7000 population- real kinglet- has a palace,ministers-army of 60 men- tax on tobacco, wine and a poll tax- though the people drink and smoke- so few of them that prince would find it hard to feed his Courtiers, officials and to keep himself- found a new and special source of revenue-gaming house- people play roulette-gaming house owner gets a percentage on the turnover-out of his profits he pays a large sum to the prince- because it is the only such gambling establishment left in Europe- the German sovereigns were forbidden to keep gaming houses as they did so much harm to the people -everyone wants to gamble goes to Monaco- The Prince remained with a monopoly of the business-they win or loose -Prince gains by it-this money helped the kinglet to live and enjoy his life-holding court with all the ceremony of a real King- so he resorted to it.

4

19 one of the dramatic Chipko actions- the Himalayan village of Advani- in 1977- village woman named Bachni Devi- led resistance against her own husband- who had obtained a contract to cut trees- when officials arrived women held up lightedlanterns- although it was broad daylight-the forester asked to explain -told them that they had come to teach forestry-officials called the women foolish-asked how they could prevent tree felling by those who know the value of the forest-according to them forests produce profit, resin and timber-The women sang backin chorus- saying that the forests bare soil, water and pure air-which sustains the earth and all she bears.

4

20.Dona Laura and Don Gonzalo -loved each other-every morning he passed by on horseback down the red path-tossed up to her balcony a bouquet of flowers-later in the afternoon the gallantheorseman would return by the same path- catch the bouquet of flowers she would toss-but the parents of Laura wanted her to marry a merchant- one night Gonzalo was waiting under her window to hear her sing-merchant came there unexpectedly- and insultedGonzalo-led to the quarrel-later a duel-merchant was badly wounded-feared of the consequences-Gonzalo concealed himself-left his house-went to Seville- then to Madrid-wrote many letters to Laura- intercepted by her parents-she never answered at all- Gonzalo believed that he had lost his love forever-joined the army-went to Africa- there in trench met a glorious death- grasping the flag of Spain-whispering the name of his beloved Laura.

4

21. When you are old-short, Love lyric-speaker imagines his beloved in the future-when she is old and reading the book of poems he is now writing-while reading the book she remembers the past-dreams of soft look her eyes once had- recalls her youthful beauty-many who admired her-others loved her physical beauty and grace-the poet loved her pilgrim soul-sorrows of her changing face- his love would remain constant even after she grows old-she will realise when she becomes old-bending beside the glowing bars-she murmurs-how love fled and paced upon the mountains -hid his face amid a crowd of stars-love is personified-she feels sad-love also vanished.

4

22.Tamanna and Basavaiah were rivals-Tammanna had 1000 acres -Basavaiah owned 800-Basavaiah forcibly encroached 200 acres of Tammanna--Tammanna decided to annihilate Basavaiahcompletely-hit upon the idea of composing all hisexperiences in the form of ballads and singing them-his reputation started spreading-his songs started making a mention of Basavaiah's cruelty-felicitated as the best poet -Basavaiah shrunk in humiliation started filling his life with all kind of material wealth-got a palatial mansion-

appointed number of persons to praise him-bedecked with gold,diamonds and other stones- but his house looked dull and empty- because Tamanna's books were not there-started inviting scholars, poets and musicians to his place-this was his way of investing his home with meaning. 4

23 Borges-had immense love and regards for his mother-his mother was an extraordinary person-kind towards him-feel guilty for not having been a happy man in order to have given her a deserved happiness-he should have been more understanding of her- true of all children-when our mother dies-feel that we have taken her for granted-as we do with the moon,the sun or the seasons-abused her-does not dawn on us before her death-his mother was an intelligent and a gracious woman-had no enemies. 4

24. Poet opines that heaven doesn't have a separate entity-humans can witness heavenly beauty on earth-if it is not found on earth-it can be found nowhere-humans should try to become Gods and nymphs-they are nothing but kind hearted people- concept of heaven includethings that are beautiful-having a feeling of fulfilment- the splendour of nature turns the earth into heaven- rolling Surf at the edge of waves-roaring streams-tender sunshine-gentle sun-make this earth heaven-heaven lies all over- in the splendour of harvest and moonlight-by imbibing and spilling the song of nectar- poet creates heaven on earth. 4

25.Japanese-well mannered people- live on a hopelessly overcrowded island-respect one another's privacy-courtesy has a double function- courtesy and substitute privacy-for example-little red telephones in the streets-halls-situated on a table-no space to spare for booths-people conduct their confidential business transactions-intimate love quarrels in public-yet in perfect privacy-anybody could listen-but nobody does-A man's telephone receiver is his castle. 4

26Umuofia-village-two political parties PAP stands for People's Alliance Party-POP stands for Progressive Organisation Party-formed by the tribes down the coast-to save themselves from total political, cultural, social and religious annihilation -party had no chance- plunged with typical foolishness-straight fight with PAP-providing cars and loudspeakers to a few local rascals and thugs- to go around and make a lot of noise- no one knew how much money POP had let loose-said to be very considerable-the local campaigners would end up very rich-Maduka- leader of POP- sign man's head-POP has no chance against Marcus-enough to get a few votes this time. 4

III

1×6=6

27. Monaco-tiny little kingdom- people are peaceable -a murder was committed- never happened before- the judges assembled and tried the case in the most judicial manner-after the judicial process-condemned the criminal to have his head cut off- Prince confirmed it-there was a hitch-neither a guillotine nor an executioner-decided to ask French government-agreed to lend a machine and an executioner- cost would be 16000 francs- king found it expensive-wrote letter to the Italian government-agreed-decided to charge12000 francs-expensive-asked one of the soldiers to do it- they too refused - the Minister considered and reconsider the matter-decided to alter the death sentence to one of the imprisonment of life-the Prince agreed-matter was arranged-the only hitch was-no suitable prison-managed to find a place-placed a guard-to watch the criminal and also to fetch the food from the palace kitchen-the prisoner spent a year-after a year Prince found

a new expenditure- 600 francs per year for keeping the criminal-thought of some cheaper way- dismissed the guard-expected the criminal to run away-prisoner did not show the least sign-council decided to give 600 francs a year as a pension -criminal agreed and emigrated- bought a bit of land and startedmarket gardening-lives peaceably and well.

OR

P.Sainath's essay- where there is a wheel- throws light on the social mobility-freedom, economic independence and self respect gained by the rural women of Pudukkottai district-one of the poorest districts of India-cycling seems one of the ways for the people of Pudukkottai to hit out their backwardness, defiance and the fetters that hold them- Arivolilyakkam played an important role in encouraging women to learn cycling- it first led literacy drive in the district-Arivoli opened cycle training camps-rural women's passion for cycling-symbol of progress-reduced dependence on men-cut down on time wasted in waiting for buses- more time to focus on selling produces-enlarges the area one can hope to cover-the whole phenomenon was the brain child of the popular former district collector Sheela Rani Chunkath- cycling has had very definite economics implication-it boosts income- increases leisuretime-metaphor for freedom- away out of enforce routines- around male imposed barrier- paid no attention to filthy remarks-- Pudukkottai unique among Indian districts for the stunning proportion of women who have taken to cycling-for rural women it's a Himalayan achievement-cycling has swept across this district-people may laugh-only the women know how important it is-cycle transformed the lives of women in Pudukkottai.

OR

ChallapalliSwarooparani-a prominent dalit writer-demonstrates the disparity and discrimination in our society using water as a symbol-water-witness to discrimination - knows the generation old strife between the village and thewada- Panchamas denied the right to draw water from the wells-wait all day near the well until Shudra arrives there and fills his pot-humiliation of the wada girl-righteous rage of Karamchedu Suvarthamma-how people of Wada would thirst all day for a glass of water -water is not simply H2O-mighty movement-Mahad struggle at the Chadar tank-embodies tears shed over several generation-fought many battle for a single drop of water-blood flowed like a stream-never manage to win a small puddle- taking weekly bath was a wondrous festival- while the entire village bathed luxuriously twice a day-dalits had to walk miles and miles to collect water from the big canal- carried back home heavy pots balancing on their heads- speaker recalls how the thatched huts of Malapalle were reduced to ashes for the want of a pot of water - water is not a simple thing -it gives life- devours lives- killer Tsunami -the poor are the play things in its vicious hands- Ignite many struggle and strife-Omniscient-contains the world.

IV

28 a. By developing/he developed a very gruff manner and voice.
